**JOINT MOTION TO FURTHER EXTEND TIME TO  
RESPOND TO WRITTEN DISCOVERY**

Now come the parties in the above captioned matter and hereby move this  
Honorable Court to extend the deadline to respond to written discovery until  
May 3, 2006.

In further support of this motion the parties state as follows:

1. On July 7, 2005, this Honorable Court ordered that all discovery requests be responded to by December 31, 2005.
2. In furtherance of settlement discussion that have been on-going and productive, the parties have previously submitted joint motions to extend the time to respond to written discovery, the last of which extended the deadline until April 3, 2006.
3. The parties are still actively engaged in settlement discussions and have made considerable progress toward that end. In order to allow the settlement discussions to continue without the distraction of addressing potentially divisive discovery issues, the

parties hereby request that the deadline to respond to written discovery be again extended until May 3, 2006.

4. The parties shall also be permitted until May 3, 2006 to file all motions to compel and/or other pleadings arising from written discovery requests.

5. Neither side shall be prejudiced by this extension, and because neither side requests that any other deadlines be extended, granting this motion shall not delay the disposition of this matter.

Respectfully submitted,
